

**WELCOME TO QUETTA, BALUCHISTAN, PAKISTAN FOR**

## **Balochistan Livestock Expo 2019**

**(Investment Conference; Industrial Exhibition; Dairy Science Park V)**

*Warm greetings to the distinguished delegates of BLE-2019*

Livestock & Dairy Development Department in collaboration with FAO, University of Balochistan, is organizing the first ever Livestock Expo and Conference from 4-6 November, 2019 at Expo Centre University of Balochistan Quetta. The exhibition is the only platform which brings together all three segments under one roof to share ideas, technology and information for developing livestock industry in Balochistan and for the overall development of the sectors in Pakistan.

In the first edition of the exhibition, we are expecting over 150 exhibitors from all over Pakistan and around the globe for the purpose of educating farmers, familiarizing them with best global standards and practices, introducing them to the latest technologies in the trade and to connect industry stakeholders for business collaborations. We expect participation from approximately 5 counties and 100 local exhibitors from all the four provinces of Pakistan.

BLE-19 is providing knowledge sharing platform for the Fifth International Conference on Dairy Science Park (DSP) after one held last year in Turkey and earlier three in Peshawar. DSP Balochistan Chapter, Pakistan Poultry Association, Dairy Farmers Association, Embassy of China, Australian High Commission, and World Poultry Science Association would educate the relevant audience. We humbly seek your participation in the BLE 2019.
